End of S.N.50

Reference is invited to the Collector's letter at S. N.50/a and the P & A Officer's remarks thereon.

The Commissioner of Income-tax, Madras, was consulted because the Pay and Accounts Officer was of opinion that in case the Collector's proposal was to be accepted, a definite order by the Madras Commissioner stating that Mr. Joshi was tranferred to officiate in the post of Income-tax Accountant, Bangalore, was necessary. The Madras Commissioner however thinks that the matter may be decided by the Resident. This view may be acted upon. Further, the Madras Commissioner states that the intention was that Mr. Joshi should officiate in the Bangalore appointment, as suggested by the Collector.

S. N. 52

From the Pay and Accounts Officer no. PB 4/8174, dated 12-3-29.

Reference is invited to S. N. 48 and 49. In the p.u.c., the Pay and Accounts Officer states that the supply of liveries to the two additional peons sanctioned in 1928 for the Income-tax Office requires the sanction of the Government of India.

It appears doubtful whether, in cases such as this, the sanction of the Government of India is really necessary. It will be seen, for instance, that when the question arose of supplying liveries to two additional peons sanctioned for the excise establishment of the Station in 1923, the Accountant-General, Madras, was clearly of opinion that there was no audit objection to the supply being sanctioned by the Residency, which was accordingly done. The Accountant-General's opinion was apparently based on the fact that the sanction of of the Government of India in S. N. 13/207-20 was in general terms.

S. N. 13/207-20 already mentions the Income-tax Office, and in view of the Accountant-General's opinion, the sanction of the Government of India in the present case may not be necessary. The remarks of the Pay and Accounts Officer may perhaps be invited u. o.

The original sanction to the supply of liveries to peons was accorded in Government of India, Foreign and Political Memo No.653 Est.B, dated the 7th March 1921, wherein the Government of India sanctioned the scale at which liveries should be supplied to the various offices as proposed by the Resident in his letter No.9872/207/1920 dated the 11th November 1920, and also fixed the 'annual' cost at Rs.562-8-0. Any increase over the scale or cost requires therefore, in my opinion, the sanction of the Government of India under Rule 61 of the Book of Financial Powers. I am unable to take the view of the Accountant General, Madras, referred to in the present reference. There is of course no doubt that the additional peons must have liveries, but the rule seems to me to be clear that the formal sanction of the Government of India is required.

The draft rules forwarded by the Pay and Accounts Officer calls for the following remarks in respect of the strength of the menial establishments attached to the several offices as shown in the budget for 1930-31.

(1). District Magistrate's Court.

The number of peons is stated to be 7 while the statement refers only to 6.

(2). Gosha Hospital.

The number of peons according to the budget is 3 while only 2 are mentioned in the statement.

(3). Isolation Hospital

This hospital has been omitted from the list. It has one peon on its establishment.

The P & A Officer may be requested to say whether the above establishments should not also be included in the statement to be sent to the Govt. of India to avoid further reference.

The draft rules forwarded have been recast with certain additions to make them complete. It appears preferable to make the statement an appendix to the rules. The draft rules as thus revised may be sent U.O. to the P & A Officer for very early remarks in the first instance.

The sanctioned strength of peons in the offices of the Collector and District Magistrate, Gosha Hospital, and the Isolation Hospital is 7, 3 and 1, respectively, but one of the peons of the Collector's Office is a watchman and no livery is supplied to him. The 3rd peon sanctioned for the Gosha Hospital in Government of India, Foreign and Political Order No.700-E, dated 8-12-1927, and the peon for the New Isolation Hospital sanctioned in Government of India, Foreign and Political memo No.F-312 (14)-E/21, dated 7-4-1930, have not yet been appointed and no liveries have been sanctioned for them.

The temporary peon hitherto entertained for the Isolation Hospital does not get any supply of liveries. There is no objection however to include the 3rd peon of the Gosha Hospital and the peon sanctioned for the New Isolation Hospital in the list, it being explained to the Government of India that their sanction for the supply of liveries in these two cases has not yet been obtained as the posts are vacant, but that the supply has been included in the proposed scale and would be sanctioned by the Hon'ble the Resident when the need arises. The number of liveries for the District Magistrate's Court should be reduced to 6, unless it is intended to supply the watchman also with a livery.

The suggested draft rules are in order.

The Bay and Accounts Officer accepts the draft rules put up.

As regards the 3rd peon for the Gosha Hospital and the peon for the Isolation Hospital livery will have to be supplied in due course when the posts are filled up. They may therefore be included in the Appendix to the rules to avoid further reference to the Govt of India. The circumstances may, as suggested by the P & A Officer be explained to India.

In respect of the 7th post of menial in the District Magistrate's court the P & A Officer says that it is a watchman's post and suggests that it should not be included in the Appendix unless it is decided to sanction livery to the watchman also. Submitted the point may, in the first instance be referred to the D. M.

In the Bowring and Lady Curzon & Gosha hospitals the peons are supplied with liveries up to a cost of Rs.20/- per head while in the other offices the usual scale of Rs.10/- prevails. Taking the latter class first, it will be seen that those in the District Court and the offices under the Inspector of Schools are not supplied with turbans, as also the two syces, sweeper and dog boy in the Civil Vety. Hospital. In other offices where the supply is made, only one turban is supplied to peons in the Residency's Treasury, Isolation Hospital and Residency Press and 2 turbans in other offices. The cost of the liveries i.e. cost of cloth and stitching charges vary widely. It is not clear why in the small compass of the Civil & Military Station there should be such diversity. Uniformity appears to be desirable in this matter. It is for consideration therefore whether the scale of liveries for peons of the latter class and other lower class menials may not be as follows:-

	Rs.	A.	P.
Cloth for 2 coats & 2 pairs of trousers.	5	0	0
Stitching charges.	2	8	0
2 turbans.	2	8	0
	10	0	0

As regards the peons in the 3 hospitals referred to, the cost of liveries may be as given by the Residency Surgeon -

To give some discretion to the officers in distributing the expenditure in respect of the 3 items, it may perhaps be added as a foot-note, that "savings if any, under any one item may be utilised for any other." It may be noted here that in the Resident's Treasury and the Govt. Lady Hospital the peons are asked to pay out of their pockets the excess cost. This will also be avoided if a uniform scale is laid down. For orders whether a statement on the above lines may be prepared and sent to the Government of India. No provision has been made for any head dress for the Motor Driver in the Bowring and Lady Curzon Hospitals as none is supplied to him now. For orders.

Para 40 above.

With reference to Secretary's orders above it is submitted that the file regarding the supply of liveries to menials in the Residency and Resident's Office etc. has sinee become available. It will be seen from S.N.110 of File 108 of 1891, that the cost of livery supplied by the Women's Workshop of the Friend-in-Need Society is as follows:-

	Rs.	as.	p.
(a). White drill suits consisting of one coat and a pair of trousers each	6-	14	0
(b). Khaki drill suits do	7	0	0
(c). White turbans,five yards long at 7 as per yard each	2	3	0
(d). Khaki mull turbans,5 yards long,at 8as per yard.	2	8	0
(e) Gold lace bordered white turbans.	13	0	0

The cost of two suits (exclusive of turban)the minimum clothing that is supplied to each menial in the several offices under consideration will according to the quality of cloth supplied to the menials in the Residency etc amounts to Rs.13-12-0 (white drill) and Rs.14 (khaki drill) and the cost of a turban to Rs. 2-3-0 or Rs.2-8-0 respectively. As the ~~lowest~~ limit of cost permissible is only Rs.10 per peon the above

estimate would be excessive. The scale of liveries now supplied to menials of the offices under consideration vary as already stated, and as it is perhaps doubtful whether the Officers concerned will agree to reduce the scale of clothing to suit the cost of supply though the Friend-in-Need Society. Perhaps the Friend-in-Need Socie may be able to supply clothing at the present scale within the admissible cost, but of a quality slightly inferior to that supplied to the menials in the Residenc etc. A draft reference to the Hony Secretary, Friend-in-Need Society is submitted. A statement is annexed to the draft in which the clothing supplied has been arranged according the scale now allowed.

Reference to the Pay and Accounts Officer already submitted in draft I is also for approval.

P.U.C. I

The present memo from the Govt of India is with reference to the supply of liveries to menial establishments in the offices subordinate to the Hon'ble the Resident apart from those employed in the Residency,Resident's office and the two peons loaned to the Pay and Accounts Officer and the Residency Surgeon each whose liveries are supplied from the grant entirely at the disposal of the Hon'ble the Resident.This latter class of menials have not been included in the rules proposed.

The Govt of India desire to know(1)thescale for the supply of liveries in force prior to 1922 and that in force since, with the total expenditure incurred under each scale and (2) whether the scale mentioned in the draft rules differ from the scale already sanctioned.

As regards (1) it is submitted that liveries were for the first time proposed for the menial establishment of the subordinate offices in the Hon'ble Mr.Barton's letter No. 9872 dated 11-11-20,to the Govt of India. Sanction was accorded by the Govt of India in their memo No.653-IstB dated 7-3-21 as subsequently amended by memo No.1292-Ist B,dated 7-5-21. Ever since the scale has been followed in regard to the supply of liveries to menials as occasion arose and no deviation has been made. The scale of clothing referred to in the appendix to the proposed rules is also in accord with the scales already sanctioned (item 2.) The Govt of India may be informed accordingly, and a copy of the statement at (Y) may be forwarded for information.

Draft submitted.

The reply from the Hony Secretary, Women's Workshop does not appear to help us. The cost of liveries, according to the varying scales referred to in the appendix to S.N.77, as worked out from the prices quoted by the Workshop seems to be more than the sanctioned cost ~~generally~~ in some cases. The total cost, if the entire supply is to be ordered from it, would also be much higher than the permissible cost The total net cost has been worked out in pencil in S.N.77/a itself and amounts to an excess expenditure of Rs.83-4-0. Unless the Women's Workshop is prepared to cut the prices still further it would not be possible to entrust the supply to it. It is not likely that the Govt of India will countenance any increase in the cost of liveries at a time of financial stringency. It is for consideration therefore whether the Women's Workshop should be given another opportunity to consider the question of prices or whether the Govt of India may be informed as suggested at paras 37 and 38 ante. This would also create a uniform scale of livery to menials in the several offices instead of the differing scales prevailing ~~but~~ at the same cost.

Letter dated the 1st June 1931, from the Honorary Secretary, Women's Workshop, The Friend-in-Need Society, Bangalore.

Memo. from the Govt. of India No.F.297-A/29, dated the 14th October, 1931.

With the letter at S.N.63, a set of draft rules for regulating the supply of liveries to the menial establishment in the several offices under the Resident's control was sent up to the Govt. of India.

In their Memo. at S.N.66, the Govt. of India asked for full details of the cost of each kind of livery (viz. peon's livery, Duffadar's livery etc.) in order that these might be included in the draft rules.

The subordinate offices were thereupon addressed. The result of the various replies will be found tabulated in the statement at para 36 above. As stated at para 37 of these notes, the cost of cloth and stitching charges appears to vary widely in the case of different offices. For the sake of uniformity, it is submitted that the details of cost which were suggested in para 37 for consideration may perhaps be approved and sent up to the Government of India.

Reference is next invited to the correspondence with the Hon: Secretary of the Women's Workshop (S.N.77,79,81 & P.U.C. II). It will be seen that the Women's Workshop is prepared to take 'the complete order' at the prices specifie in the annexure to S.N.77, the maximum specified being Rs.10/- and Rs.20/-. These are also the figures suggested in para 37, which it is proposed may be sent up to the Government of India for consideration.

The delay is indeed scandalous.
Can we give the work to the Women's Workshop if they conform to the price laid down by GOI or is there a possibility of any being objected to by the Indian Stores Department?
Kindly please let me know the position in 14 days.

GO/6

It must be mentioned that there is a remote possibility of objection being taken to placing the order for liveries with the Women's Workshop because the Govt. of India "have decided that purchases of all classes of stores for which orders may be placed in India (except certain specified articles) should in future be entrusted to the Indian Stores Department to the fullest extent possible".

Objection, if any, will be confined to the purchase of necessary

necessary cloth. There will be no objection to the cloth being obtained from the Indian Stores Deptt, the work of making liveries being done by the Women's Workshop.

It may be added, however, that, during the laat few years, liveries for the menials of the Residency Office are being purchased from the Women's Workshop and that no objection has so far been taken on the ground that the Indian Stores Deptt. should be utilised.

Para 62.

I have gone through the previous notes carefully The question of the supply of a turban to the motor driver of the Bowring and Lady Curzon Hospital, who previously did not have them, does not appear to have been specifically raised and orders passed. The supply may however be now approved.

The statement gives the information required to supplement the particulars already furnished with letter no.6558 dated the 21st August 1930 so as to make them conform to the requirements of rule 8-ii (h) of Appendix 5 to the Civil Account Code-volume I, referred to in the letter at S.N.66.

On the question of the purchase of the cloth requir to make liveries, the amount involved appears to be petty. If the requirements of each office are taken separately it would be less than Rs. 100 in each case, and would appear to be covered by the Stores Controller letter at S. N. 6 (a). We may however ascertain from the Stores Department the practice followed in the matter of the purchase of livery cloth by the departments of the Government of India.

The Government of India suggested certain economies in the cost of liveries supplied to menials. The views of the Collector and District Magistrate, District Judge and Residency Surgeon have been obtained on the suggestion. The views of the Munsif Magistrate were not specially invited. But it should be sufficient if his Duffadar is supplied with liveries on the same scale and cost as the Duffadar of the District Magistrate's Court.

Para 2 of P.U.C. - Revised annexure of details of cost of liveries.

The details of cost of liveries shown in the statement at S.N.85/a requires amendment in respect of items IV & V with reference to the revised rates proposed in S.N.92.

The Daffadar of the Munsiff Magistrate's Court has to be shown under item V and the amount per head shown thereunder reduced to Rs.16/- i.e., 4/5ths of the previous amount The number of liveries will have to be reduced from 4 to 3. The cost of 3 liveries will work out, at the rates shown, only to Rs.15/-. The difference of a rupee in the cost of liveries supplied per head is trivial and may stand. The annexure has accordingly been revised.

Reference para 3 of P.U.C. - Cost of liveries of the peon of the Isolation Hospital.

The post of the peon of the Isolation Hospital ~~was~~ is new. It had no sanctioned scale of liveries previously - vide para 2 of the letter at S.N.63. The sum of Rs.10/- shown against the peon in the appendix to the letter of the 21st August, 1930 at S.N.63 was suggested with reference to the scale allowed to peons in other offices. Subsequently

Subsequently a uniform scale of Rs.20/- for the peons of all the three hospitals - Bowring, Lady Curzon and Isolation - was accepted in the note at para 37 ante (in February 1931). The correct figure is therefore Rs.20/-. Government of India may be informed that the correct figure is Rs.20/- as shown in the annexure to the draft letter.

2) The scale of Income-Tax Accountants in Madras was Rs.110-10-260 while that in the mufassal was Rs.100-10-250. The scale in Bangalore has all along been 100-10-250. The services of Mr.Nanabhoy, a permanent accountant on Rs.100/- ~~were~~ lent by Madras to Bangalore from 1st November 1925. He continued to draw Rs.100/- from the date of his appointment to Bangalore and his 1st increment was allowed from 2nd April 1926, his usual date of increment in Madras. It appears that he was treated not as having been transferred in a substantive or in an officiating capacity but as merely doing duty in Bangalore, as an outpost of Madras. Mr. N. Davay's term of 3 years expired on 30th October 1928 and the services of Mr. T.R.L.Joshi were lent to Bangalore.

3) Mr. Joshi was drawing Rs.140/- in the scale of110-10-260 in Madras. The scale in Madras has been raised into 100-5-150-10-300 but the scale in Bangalore remains the same.(100-10-250)

4) The transfer of Mr. Joshi to Bangalore may be viewed either as

(1) Holding a substantive post on Rs.100-5-150-10-300 in Madras and officiating in Bangalore on Rs.100-10-250, in which case he will be eligible to draw Rs.150/- from 1st November 1928 and Rs.160/- from 18th May 1929 under F.R.32, or

(2) Holding a substantive post on Rs.100-5-150-10-300 in Madras and appointed on deputation to another permanent post in Bangalore on Rs.100-10-250. In this case he will be eligible to draw Rs.150/- from 1-11-28 and Rs.160/- from 1-11-29 under F.R.22 (a) i.e., he will be losing Rs.10/- per mensem in his substantive pay in the scale of Rs.100-5-150-10-300 from 18-5-29.

~~The~~ The Collector applies F.R.22(a), but wishes to treat him as officiating just in the same way as the Income-Tax Officer (was treated). In the case of the Income-Tax Officer, there were definite orders that

he

he should be treated as officiating in the post in Bangalore, and that his service in that post would count for increments in the scale of pay in Madras. In view of the fact that Mr. Joshi's predecessor was treated as merely doing duty in Bangalore instead of in Madras and was not allowed the next higher stage of pay when he joined Bangalore, it seems that a definite order by the Commissioner of Income-Tax, Madras stating that Mr. Joshi has been transferred to officiate in the post of Income-Tax Accountant, Bangalore is necessary

In forwarding herewith a copy of the last pay certificate of Mr. T.R. Lakshmishanker Joshi, Accountant in the Income-tax Office, received from the Income-tax Officer, Fourth Circle, Madras, I have the honour to state that this official was drawing in Madras, when sent on deputation here, a salary of Rs.140/- in the scale of 110-10-260. According to the Proceedings of the Assistant Commissioner of Income-tax, Central Range, Madras, No.C.R.124/27 dated 15-3-1928 (copy enclosed), the Accountant was eligible to draw a pay of Rs.160+5/- in the Madras revised scale of Rs.100-5-150 - 10-300 from 18-5-1929. The scale of pay of the post of the Accountant here is Rs.100-10-250. On account of the difference in the two scales of pay, the Accountant seems eligible to draw Rs.150/- as initial pay here with effect from 1-11-1928 when he joined duty as per Fundamental Rule 22(a), and accordingly the Income-tax Officer drew that amount this month and the same has been held under objection by the Pay and Accounts Officer pending decision of the question whether the next stage can be allowed under F.R.22(a). The Pay and Accounts

Officer wants to know whether the Accountant is to be treated as "officiating" in the post in Bangalore. In the case of the Income-tax Officer who has been deputed from Madras to do duty here, this question has already been decided. For the reasons given in that connection in Mr. Tottenham's D.O. to Mr. Senneck, communicated to this Office with your Office No.4676/16/A/25, dated 11-5-1928, the Income-tax Officer has been treated as officiating in the post here. I think that what applies to an Income-tax Officer of Madras also applies to an Accountant who holds a substantive post in Madras. May I request to be informed whether my presumption is correct and whether he may be allowed to draw Rs.150/- from 1-11-1928 and Rs.160/- only from 18-5-1929 in the absence of any provision for any local allowance for the Accountant in the Station.

Sir,

Establishment - Lakshmisankar Joshi (T.R) (Mr) - Accountant - Services of - Lending to Bangalore - Your letter No. 2429 dated 12th March, 1929.

The matter is really one for the Hon'ble the Resident's decision; for the post in Bangalore is not an addition to the Madras cadre and the appointment thereto is consequently not in my hands. I may however state that the intention was that Mr. Joshi should officiate in the Bangalore appointment and count that service for increment in his appointment in Madras in the same way as Mr. D. T. Pragasam.

I have the honour to be,

Sir,

Your most obedient servant,

For Commissioner.

With reference to your endorsement No.124-A-31 dated the 12th January, 1931, I have the honour to state as follows:-

The Duffadar of this Court is usually supplied every year with one lace turban and two suits, and the three peons are each supplied with two suits and one ordinary turban.

The cost of the supply to the Duffadar and to the peons is maintained below or at the sanctioned amount.

Owing, in part to the abnormal rains last year and in part to the turbans of the peons being in good condition, I ordered the purchase, as an exceptional case, of two water proof capes instead of turbans.

2. The Indian Stores Department state that while the scale of liveries which are supplied at the rate of Rs.10/- each per annum seems reasonable, the cost of liveries which are proposed to be supplied at Rs.20/- each per annum could, in view of the present low prices of cotton textiles, be reduced without difficulty to Rs.16/- per livery. They further suggest that in the case of the inferior servants employed in the Collector's and District Magistrate's Office, the scale may be reduced to three coats, three pairs of trousers and three turbans. The Government of India agree with the above suggestions and would be glad to know if you agree that these economies can be effected.

With reference to your Memorandum No.4043/268-1928 dated the 20th. These peons,though they take night duty at both the gates of these Institutions,are not supplied with blankets, I therefore consider the present allowance of Rs 20/-/- is quite necessary.

With reference to your Memorandum No.4043/268-1928 dated the 20th. June 1932, I have the honour to inform you that the peons attached to this Hospital do night duty on every alternate day and it is very necessary to give them sufficient change of uniform so that the clothing supplied may last for a full year as they must use it both day and night. These peons,though they take night duty at both the gates of these Institutions,are not supplied with blankets, I therefore consider the present allowance of Rs 20/-/- is quite necessary

Your most obedient servant,

SIR,

Liveries to peons - Your No.4043/268-1928 dated 20-6-32.

It appears from the Government of India's memo No. F.297-A/29 dated 26-4-32 that the Indian Stores Department are under the impression that all inferior servants in the Collector & District Magistrate's Office are supplied with liveries on the same scale as the duffadars, vide item I in the margin, but peons are supplied with liveries as at item II. There are only 1 duffadar and 6 peons attached to the office.

I. Duffadar:- 4 coats, 4 pairs of trousers and 4 turbans(Cost Rs 20/-)	
II.Peon:- 2 coats, 2 pairs of trousers and 2 turbans(Cost Rs 10/-)	

The cost of liveries in the case of duffadar may be reduced from Rs 20/- to Rs 16/- as suggested.

I have the honour to be,

Sir,

Your most obedient servant,

Supply of Liveries to the Inferior Servants in the C.& M. Station, B'lore

Sir,

I have the honour to refer to Mr. Narahari'Rao's memo no. F.297-A/29 dated the 26th April 1932 on the above subject and to state as follows:-

S.N. 87 (R)

1. Only the Duffadar of the office of the Collector and District Magistrate is supplied with 4 coats, 4 pairs of trousers and 4 turbans at a cost of Rs. 20/-. There is no objection to the cost being reduced in his case to Rs. 16/- The other menials employed in his office are supplied with liveries at a cost of Rs.10/- per head.only.

S.N. 91 ante

2. The cost of liveries supplied to the Duffadar of the Court of the Munsif Magistrate may also be reduced to Rs.16/.

3. The menials of the

Bowring, Lady Curzon, Gosha, and Isolation Hospitals are required to do duty both by day and by night. The peons who take night duty at the gates of these institutions are not ~~also~~ supplied with blankets. In the circumstances they must be given sufficient change of uniform for use both day and night to last for a whole year. An allowance of Rs. 20/- is therefore ~~quite necessary~~ essential in their case.

S.N. 90 ante. (M)

4 The Duffadar of the District ~~Court~~ & M. ~~Court~~ Court is supplied with a lace turban. The District Judge reports that a good lace turban ~~cannot be had for less than~~ costs Rs.10/. I am therefore of opinion that no reduction in the cost(Rs. 20) of liveries supplied to him is possible.
